

GIS Technician II

Summary/Objective

EDM International is seeking a result-driven GIS Technician for our Fort Collins, CO office. The GIS Technician will have a focus in using geospatial software to perform data entry, processing, editing, and QA/QC, as well as data loading into production databases. The GIS Technician may also be involved in performing desktop-based inventory data collection of powerline facilities from UAS imagery. If you are self-motivated, would like to work within a dynamic culture, consider joining the EDM Team

Essential Duties and Responsibilities:

- Import or capture data from a variety of sources, including Excel, PDFs, and GIS formats
- Perform geoprocessing tasks to clean and manipulate data
- Perform standardized quality control checks to ensure data integrity
- Perform cartography, create map products
- Perform other ad-hoc GIS requests
- Create web-based maps in ArcGIS Online or ArcGIS Portal
- Export and deliver data to team members
- Interpret UAS (drone) photos to perform virtualized (desktop) data collection of distribution or transmission facility components (training provided)
- Assist with project documentation

Qualifications/Education/Experience:

- B.S. degree in Geography, Data Science, Computer Science, Environmental Science or related field.
- 1-2 years of real-world experience in GIS
- Experience using ArcGIS Pro 3.x
- Experience creating or editing content in ArcGIS Online or ArcGIS Portal
- Experience performing geoprocessing and GIS feature editing
- Microsoft Office

Competencies:

- Excellent professional, organizational, as well as written and verbal communication skills
- Adept at problem-solving
- Ability to independently research, troubleshoot, and resolve GIS problems/errors, while applying quality attention to detail
- Fast learner

Supervisory Responsibility: There are no supervisory responsibilities for this position.

Position Type/Expected Hours of Work:

- This is a project-specific hourly position up to 40 hours a week.

Work Environment/Physical Demands:

- This job operates in a professional office environment and routinely uses standard office equipment such as computers, phones, photocopiers, filing cabinets, and fax machines. The noise level in the work environment is usually quiet.
- The employee is regularly required to sit, talk, and hear. The employee is occasionally required to stand and walk. The employee must occasionally lift and/or move up to 25 pounds

Other Duties:

The above job description is not intended to be an all-inclusive list of responsibilities and performance standards of the position. Incumbents will perform other job-related duties as assigned.

Salary Range: \$25-\$30 hourly.

EDM Benefits:

- Health Insurance (Medical, Vision, and Dental)
- STD / LTD/ Life Insurance
- 401(k)
- Paid Leave (Holiday, Vacation, Sick, etc.)
- Development Opportunities

Special Requirements - Pre-employment checks will require satisfactory results of the following screens:

- Background Check
- Motor Vehicle Driving Record
- Drug Test (including controlled substances)
- Education and Employment Confirmation
- Reference Checks
